License Information & Details

Our free design resources are royalty free for personal use (**Free Account**). Our premium resources are royalty free for both personal and commercial use (**Premium Account**).

If you delete your account, both your personal and commercial licenses will be deactivated. If this happened by mistake, please [contact us](#) to reactivate your account.

Resources can be modified to suit your projects, however, you are 100% responsible for any misuse for any of our design resources. You are completely liable for the legal responsibility for your modifications.

All resource downloaded from GraphicPear.com **cannot be resold, redistributed, leased, licensed, sub-licensed or offered on your website or to any third party like marketplaces or media-sharing tools. You cannot offer our design resources as a separate attachment from any of your work.** If you plan to include one of our resource on an item or template that will be sold on a website or marketplace, we ask of you to contact us to determine the proper use of our resource before doing so.

Premium files downloaded with a premium account can be used inside an item or website template sold through a marketplace or directly on a website with no attribution required. You can, for example, use our icons inside a website, app or brochure you created. **You cannot, however, resell or redistribute those files as is or as even as separated or combined parts.** For example, you can't separate a set of icons into smaller sets or combine sets or any similar practice for later reselling or redistributing. Please contact us before using those files in this way to ensure proper use.

Note: Website templates can be only used for personal (free account) or personal & commercial (premium account). They, however, cannot be used to create HTML or WordPress for reselling or redistributing purposes. We advise you to contact us if you have any project in mind that has to do with the idea above.

Blogs & websites that redistribute design resource are kindly asked to link to the specific page of the resource they publish on GraphicPear.com. **Direct linking to the downloadable file or hosting the source files on your website is strictly prohibited unless you get approval from us to do so.**

Our design bundles license is usually the same as our premium files. All guidelines mentioned above about premium files are typically applied to our design bundles.

Again, please [contact us](#) if you have any licensing doubts or questions.
